## Rules of Operation Set For Youth Center

At a meeting of the Lemon Grove Youth Center Control Board, held at the Youth Center on April 2, the board ratified the rules of operation, as prepared and presented by the executive committee. In doing so, the control board accepted the recommendation of the county.

The county will accept the responsibility of janitorial services, and will keep the building in good repair, and in turn, the board will charge a nominal rental fee to all groups using the Youth Center, and turn this money over to the county. All contributions and gifts received by the Youth Center will be kept in its account and the board will use this money for additional equipment. It may also use these funds for rental fees charged youth groups, who would otherwise not be able to pay.

The following chairmen were appointed:

Frank Armstrong—Fund Raising Committee.

Mrs. James A. Martin—Membership Committee.

Jim Poole — Public Relations Committee.

## La Mesa-El Cajon Savings and Loan Becomes Full-Fledged Branch In Grove

John A. Davis, president of La Mesa-El Cajon Savings and Loan Association, said this week that the Lemon Grove office which has been conducted as an agency, will become an official branch of the association on Monday morning, April 16. The new branch, located at 7800 Broadway, will be under the management of Robert C. Wilson, assistant vice president, who has been in charge of the Lemon Grove agency office for the past year. He was formerly assistant secretary of the association at La Mesa. Ava B. Constant, now a member of the La Mesa staff, will be appointed assistant secretary and will assist Mr. Wilson in the new branch.

The new office will be in leased quarters on one of the four principal corners of the town, and modern fixtures have been installed.

Savings customers of the association who reside in the Lemon Grove-Spring Valley area already have more than a million dollars with La Mesa-El Cajon Savings at La Mesa, and most of these accounts will be transferred to the new branch. Likewise, the association has a large number of home loans in the area, and an office in that section will greatly facilitate the servicing of these loans.

The fabulous growth of the Lemon Grove-Spring Valley area, Davis said, has warranted the expansion of the association's facilities as a convenience to these customers.

## SECTION OF GROVE FREEWAY IS OPEN TO COLLEGE AVENUE

Lemon Grove Freeway between Euclid and College was partially opened this week, it was announced by Engineer Eugene A. Dekema of the San Diego office of the State Division of Highways.

Some temporary rearranging of the normal traffic pattern is being made to facilitate safety and convenience.

Federal Blvd., by necessity, will be closed to the west of 60th St. in order to complete work on the Federal Blvd. bridge, Dekema stated.

A median lane for this left turn traffic has been provided so motorists can wait in safety until the turn can be made.

"The project should be entirely completed in about three weeks," Dekema said, "and ready to take its place in San Diego's rapidly expanding freeway system."

## CHECK LANES TO TEST AUTOS AGAIN THIS YEAR

Check lanes at unannounced places will be established beginning May 1 for auto inspections in San Diego City and County, it was announced this week by the County Traffic Safety Council.

The checks will be mandatory and operators of cars which fail to pass the tests may receive verbal warnings, written warnings, citations, or, if the condition of the car warrants, it may be impounded.

Last year 130,000 cars were checked and this year the total is expected to be increased to 200,000.

Independent garages and service stations and members of the Motor Car Dealers Association are eligible to give the vehicle

## Alfred Roulo Elected Fire Commissioner

Alfred J. Roulo was elected to the Lemon Grove Fire Commission Monday to take the place formerly held by Paul Tilton. Roulo lives at 7337 Beryl Street.

Roulo, a former fire captain of Beverly, Massachusetts, received 131 votes.

Jerry Walters, Lemon Grove REVIEW endorsed candidate, got 90 votes. Ignatius Leone, perennial candidate, attracted 15 voters, about seven less than last year.

The job carries no pay. Other commissioners are Channing Mason and Tom Parsons.

## Free Admission Night At Roller Derby For Area Residents

**Pretty Connie Kratz, 17, 2161 El Prado, Lemon Grove, will be queen of Lemon Grove Roller Derby Night Thursday, April 26 when the Grove Jaycees sponsor a free night of roller derby entertainment in conjunction with this newspaper.**

**According to Tom Smith, president of the local Jaycee group, there will be no charge of any kind made for admission to the skating event on Lemon Grove night. There is a coupon in this paper on another page which will admit bearer.**

**The seat which coupon bearer will receive is worth $2 or $1.75, depending upon which is available at the time coupon is presented. The derby people even pay the tax.**

## Methodist Program Planned By Mmes. Stephens, Kraft, Gibson, Bowersox

The monthly meeting of the Lemon Grove Methodist Church Woman's Society of Christian Service will meet at their new church, 3205 Washington, next Thursday, April 12 at 12 noon for luncheon. Hostesses will be Mrs. Ray Johnson, Mrs. Ralph Yokely and Mrs. Vista Willard.

"Christian Discipleship Today" will be the program topic, planned by Mrs. David Stephens, with Mrs. George Kraft, Mrs. Mary Gibson, and Mrs. William Bowersox assisting.

A business meeting will follow.

The Mary Martha circle will meet April 26 at 12:30 p.m. for dessert luncheon at the home of Mrs. Leon E. Ball, 6721 Hibiscus.

The Susanne Wesley circle will meet April 24 at 7:30 p.m. at the home of Mrs. Frank Miller

## 3,000 Youngsters Attend Annual Rotary Party

Nearly three thousand youngsters, ages three up, some with mothers in attendance, seven dogs and seven Rotarians passing out 300 gifts to youngsters whose names had been called by Announcers Earl Smart and Myer Zung, were participants in the annual Easter party proceedings held in the vacant lot next to the Grove Theater on Friday morning.

Boy, was that a happy gathering! It took the combined efforts of four Junior Rotarians to keep the kids clear of the truck on which the officials stood, with Earl Smart, handsome and debonair, at the mike calling names of youngsters as they were pulled out of the wire basket holding the names of youngsters who had deposited them in various places. Charles Serr shook up the cylinder with coupons inside, drew out three names, gave them to Earl and they were called, then the lucky ones came up one by one and gave their coupon to Charlie or Hugh Ramsdale and were given a nicely wrapped package. Then Charlie shook the coupons again.

This party was sponsored by the Lemon Grove Rotary, and was a successor to the annual event that has been put on for several years past by "Molly" Mouilleseaux at this glad Easter time. This year the Rotarians stepped in and helped "Molly" put it over.

Two hundred purchased prizes, plus 50 donated, together with $100 donated by Art Berry, Firestone, $50 from Avalon Cafe, $20 from Free's Market.

Rotary donated $500 and promoted the event. All other donations were made voluntarily. Two dozen live bunnies were among the prizes passed out.

Mrs. R. W. McQuillan of 520 Cardiff, Lomita Village, was present with her brood of six. She said she had lived in the area for ten years, and none of her children had been lucky. At that instant her daughter Roberta came up with a photograph album. "Just what I wanted," Roberta said. The spell was broken and in a little while one of her brothers came up with a nice prize.

Another little boy was told by Art Glickman: "You tell your dad he's doin' all right. You are the third of his kids to get a prize."

Rotarians who put on the program were, besides those mentioned, Myer Zung and Ray Lane. The tv folks took some shots, which were screened later.

Altogether, it was a very happy event, and will long be remembered.—D. H.

## First National Bank Declares 100% Dividend

The First National Bank is going to declare a 100% stock dividend if stockholders approve, reported Jack Koop, manager of the Lemon Grove branch.

Anderson Borthwick, bank president, said the issue would be laid before stockholders April 26 when subscription rights to purchase 43,200 shares additional common stock at $31 a share.

The proposal has been approved by both directors of the bank and the Comptroller of the Currency. The latter's approval was needed to increase the bank's capital.

Some of the effects of the dividend, in addition to larger capitalization, are:

1—Increase the number of outstanding common shares from 216,000 to 475,200. Increase the authorized common stock capital of the bank ($10 par value) from $2,160,000 to $4,752,000.

2—A total of $2,160,000 will be paid from undivided profits to cover the 100 per cent stock dividend.

3—From the sale of 43,200 additional shares of stock at $31 a share, $432,000 will be added to the common capital stock and $907,200 plus $4,800 from undivided profits will be used to increase the bank's surplus from $3,840,000 to $4,752,000.

Borthwick said that contingent upon the continuation of the present rate of earnings, dividends on the new common stock will be increased to the annual rate of $1.25 a share per annum equal to $2.50 per share on the present stock.

Under the proposed re-capitalization, the legal loan limit of the bank will be increased to $950,400.

Jack W. Koop, manager of the Lemon Grove Branch, said the proposed capital structure will place the First National Bank in a position to offer greater financial assistance for the development of the rapidly growing Lemon Grove area. This new growth is exemplified by the new shopping center now under construction.

## Captain Goodbody Urges Incorporation Of Valley and Grove

Captain Robert Goodbody, well known Brookside resident, who was a great backer of the sewer movement in the area, at last Monday night's meeting of the Spring Valley Chamber of Commerce strongly urged that the unicorporated areas of Spring Valley, Brookside and Lemon Grove incorporate for the purpose of lowering taxes and utiilties to the level of San Diego City, and to have a better chance of a larger water supply. "I have no axe to grind," said the captain. "I only want the people of the area being taken care of properly." He said the people of the area, by cooperation, could get what they want. He cited the recent sewer bonds victory as an example. He pointed out that the people of Spring Valley are going to be forced to organize. He maintained that the outskirts of Spring Valley are being taken over by other communities, and soon the area will be too small to support itself.

The captain urged that the three communities incorporate into a sixth class city. He said the people could save at least 20 per cent on their gas and electric bills. He pointed out that unincorporated areas have no voice in getting the good things of life. He said the time to act is now.

He concluded with the dangling statement, "We'll have to incorporate or else."

Jack Wilson of Mt. Vernon Street in Lemon Grove and chairman of the Grossmont C. A. C. said he agreed with Captain Goodbody. He said he is sorry Lemon Grove passed up the opportunity to incorporate before.

He urged that Spring Valley, Brookside and Lemon Grove incorporate before San Diego is "in our front yard."

Wilson further stated that many people have moved into our area to get out of San Diego. He said that many people don't want Spring Valley and Lemon Grove to incorporate, but pointed out that "in union there is strength."

The Lemon Grove speaker further stated that Lemon Grove's chances will be much better if Spring Valley "goes along." He warned that if Spring Valley doesn't want to go in with Lemon Grove, they will not be asked again.

"We'll give Spring Valley just 30 days more to make up her mind. If she doesn't want to go in with Lemon Grove by that time, then Lemon Grove will do her own. But it's better for Lemon Grove, Spring Valley and Brookside to go together."

He said there would be no immediate tax reductions in case of incorporation, and concluded that the population of Spring Valley will soon overshadow that of Lemon Grove.

William Doughman, president of the Spring Valley Chamber, said the boundaries of Spring Valley and Lemon Grove are in a mess. He pointed out the fact that if Lemon Grove decided to go into San Diego, then part of San Diego's east boundary would come into Spring Valley, probably along Bancroft Drive.

Doughman said his own property at Bancroft and Olive Drives is partly in Spring Valley and partly in Lemon Grove. He urged that the residents of the Spring Valley area study the seriousness of the incorporation problem and decide "Do I want to go into Lemon Grove or San Diego?"

## THINGS DOIN' & BREWIN'
## About Civic Center

By DICK HENDERSON

Usual between seasons quiet prevails around Civic Center.

Tax Collector Wilbur Easton has all cashier windows manned (with good-lookin' women) but the girls complain that they don't have enough customers to keep them busy.

Also that the collections are behind the average, and unless the dear taxpayers get busy before April 10 with their payments of second installments, a large yell will be heard because of penalties, which can run up to a considerable amount. Above all, attention of veterans is again called to tax bills of as little as one cent, which have not been paid. A bill of that amount, if neglected, can cost $2 for delinquency and other penalties for the first year. And if allowed to remain unpaid for three or four years the total delinquency can keep on climbing, even resulting in a sale of the property to the state.

Remember, April 10 is the last day!

**Delinquent Tax Dept.:**

Here is a good chance for me to get in a plug for the delinquent tax section of the auditor's dept. This is the place folks with delinquent tax bills go to get the low down on their tax bills. After July 1 the delinquent property is "sold to the state," and the penalties start to pile up. First, it costs $2, which goes to the state, for a certificate, with 6% added penalty for the amount that has gone delinquent. If there is more than one year's tax unpaid, that is figured in. Sometimes, in order to clear the delinquency, the taxes due go back several years, though since the war these cases are rare. But whatever it is the clerk will figure up the bill and give you the bad news. If it is too much for your budget, you can put the bill on the 5-year plan, if you pay the current year's tax and one fifth of the delinquency.

The delinquent tax section collects many thousands of dollars each year, the money being paid to the county treasurer, who gives you a receipt. So save yourself trouble and pay your taxes before the tenth, even if you have to borrow the money from the bank.

However, collecting delinquent taxes is not the only thing that department does. Recently the chief clerk in the department, Mrs. Delores Jaques, spent 45 minutes helping an old man to get a birth certificate. This man didn't remember the year, but it was a long time ago, and he remembered paying a poll tax. He was living in Alpine at the time. Mr. Jaques was able to locate the date and the registrar of voter's efficient assistants located the man and when he voted, so he was able to get his birth certificate.

The auditor's office has long been famous in the county for furnishing information. When Chauncey Hammond was auditor he let it be known that information was available to anyone, merely a phone call was necessary. This was 25 years or more ago, and the practice still holds, but the delinquent tax section has inherited the responsibility.

So if you have a problem connected with your taxes or property, or most anything connected with county government, give the delinquent tax department a ring, ask for Dolores, state your question. You will be treated courteously and your queries answered. The phone number is BElmont 9-7561, Extension 6, or ask the operator for delinquent tax.

**Grand Jury**

Resolution of 1955 Grand Jury recommending that the hearing of the appeal of Raoul Laughlin to the county Civil Service Commission be postponed, subject to Laughlin's consent, until after the 1956 Grand Jury has made its findings on the charges against the assessor. Has the whitewashing started?

**Special Districts**

Letters from the registrar of voters recommending that the Escondido and the Sweetwater Union High School Districts limited consolidation of bond elections with the June 5 Primary Election conform to past limited consolidations and that the county perform no services in connection therewith except as required by Section 7402 of the Education Code:

School districts conduct their own elections, including the procuring, delivering and receiving of supplies and the securing of services of precinct officers;

School district reimburse the precinct officers for their services at $3 for each officer and the owners of polling places at not less than $1 for each polling place.

**Public Works:**

Letter from Mrs. O. A. Koch, Escondido, offering to sell to the county for a park her property consisting of 6.78 acres with approximately 400 large oak and sycamore trees; stating that the property is only six miles from Miramar Naval Air Station on old Highway 395 or Pomerado Road, and quoting a price of $20,000, which would be discounted for cash.

Letter from the surveyor and road commissioner recommending approval of the supplemental freeway agreement and suggesting that the state assume the maintenance of the pedestrian undercrossings at Dexter Drive and Quarry Road on this freeway.

## Optimists to Open Area Club Here

College Center Optimist Club will sponsor a similar group for Lemon Grove and Spring Valley, it was announced this week by Harry Wilson, vice president.

A call has gone out to many civic minded men who are interested in boys and dates are being established for an initial meeting. The date and place will be announced later, Wilson said.

Among local members who will aid in setting the club into motion are James W. Parker, insuranceman at 7896 Broadway; Jim Spears and Ed Kay, automen and Supply at 3445 Imperial.

Objects of Optimists are 1. Develop Optimism as a philosophy at Drew Motors, 7220 Broadway and Harry Wilson, L. G. Glass of life; 2. Promote active interest in good government and civic affairs, and 3. Encourage development of youth.

**CHILDREN'S POPULARITY IS PTA THEME**

"What makes your child popular" will be the theme at the regular meeting of the Monterey Heights PTA, Thursday, April 12 at 7:30 p.m. in the school cafeteria.

Virgil Howes, guidance coordinator for the county board of education, will be the guest speaker.

## Republicans Defer Local Meeting

A meeting of Lemon Grove Republicans, originally scheduled for Friday at the junior high school cafetorium has been deferred until early May. The date has not yet been decided upon.

Frank Armstrong, vice president of the club, said that some of the speakers originally invited to take part in get-together would not be available until next month.

Armstrong said that the meeting would be held after the legislature and senate adjourned.

## *The* Dimmer VIEW

By MAX GOODWIN

I think the Hoover report ramifications transcend political party loyalties, and for that reason I want to approach it from a meat and potatoes point of view.

By that, I mean your family's meat and potatoes. The report, because it carries a Washington dateline usually, is regarded as another one of those things that may never touch us, or may touch us only lightly. Actually, if the recommendations made by the Hoover report were to be put into effect, the savings would be substantial enough to give us an immediate reduction in our income tax rate.

An organization which titles itself the California Citizens Committee for the Hoover Report is having a conniption, as well they should, because only 16 per cent or about 50 of their recommendations have been adopted and these have been, for the most part, minor. In spite of the comparative unimportance of these 50, eventual savings of three hundred million dollars a year will result.

There are presently 261 bills before Congress stemming mostly from the Hoover Commission, designed to turn back the tide of socialism in government as well as to insure badly needed executive department reforms.

NEWSWEEK MAGAZINE, earlier this year spelled out some of the aches and pains of an ailing government and the bur-

**Congressman James Utt, in a report to his constituents this week, said that the Hoover Commission showed the U. S. has given 141 billions of dollars to foreign governments since the beginning of WWII.**

**Since the END of the war American taxpayers have shelled out approximately 60 billion dollars—and three billions of this giveaway was used to DECREASE the DEBTS of foreign governments.**

**The interest alone costs taxpayers 90 millions a year.**

**"Americans," he says, "must dig up annually, in interest on this obligation, an amount sufficient to finance ALL expenses of ALL departments of our government for TWO years before World War I."**

**The requested appropriation for next year's budget for foreign aid is approximately four and two-thirds billions of dollars. This amounts to $70 for every wage earner in the U. S. It means that the first $70 we pay as income tax is being "shipped overseas," Utt stated.**

dened taxpayer and prescribed the obvious cure with Dr. Hoover's commission in charge of the operation.

A quick rundown of some of the Hoover Commission recommendations include:

Saving $340 million by streamlining armed services purchasing and stockpiling of food and clothing;

Saving hundreds of millions by up-dating and mechanizing budget and accounting operation;

Saving $360 million by reorganizing and eliminating personnel duplication and waste in the 34 agencies of foreign economic operations;

Savings of hundreds of millions by withdrawing government from the hydro-electric industry;

Savings of $290 million by applying realism to the veteran's medical care program;

Savings of $200 million by requiring all government lending agencies to become self supporting;

Saving of $185 million by getting rid of all unneeded government property and centralizing management of government real estate;

Savings of hundreds of millions by reducing turnover by attracting better personnel through higher executive wages;

Savings of $253 million by getting rid of unneeded warehousing and instituting a better cost accounting and field control;

Savings of $151 million by sensible transportation practices such as moving material by rail, ship or truck when possible instead of by air;

End postal savings as a step of getting government out of the banking business.

The current READER'S DIGEST also takes a swing at the failure of government to purge itself of these malpractices. Quoting Sidney A. Mitchell, member of the second Hoover Commission which cost Congress almost $3 million to create, the magazine says that if the above reforms were put into effect the result would be "a balanced budget," reduced taxes and more efficient

## CANCER CRUSADE OPENS IN LEMON GROVE

Lemon Grove will play an important part in the annual Cancer Crusade which starts this month.

Kenenth Conrad, local mortician, will head the local element of the campaign. A countywide total of $114,490 is sought for research, education and patient care.

The 1956 slogan is "Fight Cancer with a Checkup and a Check."

Cancer Sunday has been set for April 14 and church bells will be rung at sundown Saturday, April 14 as a reminder.

Contributions are on a voluntary basis and those who wish to contribute but who did not receive one of the 180,000 letters sent to county residents with contribution instructions may contact Conrad at his office or at HO 9-2098, or they may contact the Cancer Information Center at 1401 Fifth Ave.

### RAIN CAUSES CROWDING OF SUNDAY SCHOOL ROOMS

St. Philip's Episcopal Church had record-breaking crowds at all the Easter Day services, beginning at 6:30 in the morning. The superintendent of the Sunday School was in the same predicament as the Old Woman Who Lived in a Shoe, she had so many children she did not know what to do. Had the weather been usual the children were to meet in Mrs. Ray's garden, but as it was they had to be packed into the Sunday School rooms. The Bishop's Committee is considering the addition of four new Sunday School rooms.

Snappy remarks are often senseless utterances.

## Juniors to Swing Partners Next Week

"Swing your partner" will echo through the walls of the Woman's Clubhouse on Friday, April 13 at 8 p.m. The Lemon Grove Juniors are sponsoring a square dance, with the popular Clarence Montgomery as the caller. The admission is $1.00 per couple.

Mrs. Harold Hatton is chairman of the dance and states that cake and coffee will be served to all who attend.

## Local Lumbermen To Attend Convention In Los Angeles

Fred I. Ward, owner-president, Fred Ward Lumber Co., 3580 Massachuetts St., Lemon Grove, today was reported planning to take an active part in the 39th annual convention of the Southern California Retail Lumber Association.

Association heads said Henry Lange, manager, Lemon Grove Lumber Co., 7750 North Ave., also has been asked to attend the meet, April 17-19 in the Los Angeles Ambassador Hotel.

Orrie W. Hamilton, executive vice president of the association, said building material dealers of this city will hear talks on the California wood supply of the future, methods to cut the tax load and reduction of building costs.

The responsibility of business men as citizens, trends in material handling and many other topics are programmed.

Numerous lunches, dinners and entertainment features for dealers and wives are announced.

Speaking of discrimination: Nobody ever says much about the poor grooms.

### SHEARER TELLS VALLEY CENTER GROUP HIS WASHINGTON EXPERIENCE WILL BE HELPFUL

"When you elect a state assemblyman, you are buying service," William K. Shearer told the Valley Center Grange in a Tuesday night address to the group. The Grange met in the Valley Center Community Hall.

Shearer said that many of the problems faced by our local and state governments are also federal issues. He said that his experience in Washington as a part of the staff of Congressman Utt gives him the federal contacts that are vital to solving district problems. Shearer cited the proposed northern San Diego County boat harbor and airport as two local projects where ultimate federal help will be necessary.

Shearer returned this week from Sacramento where he spent several days familiarizing himself with district matters, and state legislative subjects. He placed particular emphasis on the need for a state water project.

During his service with Congressman Utt, Shearer made special studies of water problems, including the Colorado River storage project bill, and the present California-Arizona conflict over the Colorado River Compact. He also worked on tariff and educational matters for the congressman. All three subjects are of vital concern to this area.

"The fact that I know my way around Washington, cannot help but make me better able to serve San Diego County in Sacramento," Shearer said. "The more avenues of approach your assemblyman has to a problem, the more likely it will be solved," he concluded.

### Gives Up Hope

We have always wanted to vote for the man of our choice, but we have almost given up hope that he'll ever become a candidate—Cincinnati Enquirer.

## Lutheran Youth Program Off to Good Start

The young people of Lemon Grove Lutheran Church began their new youth program with a very successful Eastern morning breakfast which was attended by a record crowd.

They will continue their new program with a youth activities night, Thursday at 6:30 p.m. There will be recreation and hobby shops conducted by several of the married couples of the church. They will also have their first Youth Choir rehearsal on Sunday evening at 6 and then their regular devotional meeting at 7.

The Senior Choir of the church will present a concert next Sunday evening at 8 p.m. at the Hemet Lutheran Church in Hemet, California. The choir has given a number of concerts in the past few weeks and is doing a wonderful job of praising God through song.

## Hospital Harvest Ball To Honor Auxiliary Members' Daughters

The date of Grossmont Hospital Women's Auxiliary's third annual harvest ball has just been announced by Mrs. Vinard Francisco, chairman of the event. It is Saturday, October 6. The affair will be held in the new Palm Court Ballroom of the U. S. Grant Hotel, and will start with a dinner, followed by the traditional presentation for future community service of auxiliary members' high school senior daughters.

Early in April, a mail canvass will be made of the auxiliary membership by Mrs. Stanley Scott, presentations chairman, in order to give every eligible daughter an opportunity to qualify for this sought-after honor. Mrs. Scott plans to complete the list by May 1.

The invitation list is being compiled now, and will include members who attended or contributed last year, the medical and administrative staffs of Grossmont Hospital, and auxiliary members on the books by August of this year. Names and addresses of additional guests may be submitted. The invitation committee will choose from these names in the order of receipt, as tickets are available. Mrs. Russell Carter is invitation and ticket chairman.

Plans are now afoot, under the chairmanship of Mrs. Carlton H. Williams, to institute a junior membership category, which will take in the girls who have been presented, as well as other members' daughters who are seniors in high school or up to 21 years of age.

### EASTERN STAR SETS GUEST NIGHT EVENT

San Miguel Chapter No. 579 OES will observe guest night April 11 at 8 o'clock at Friendship Hall, Lemon Grove. Officers from the 90th district will fill the stations. Frances Hauk will be chairman of the after chapter party.

## JOE MERCURIO'S NEW SHOP OPENS

Joe Mercurio, operator of a shoe repair shop at 3460 Main Street, has opened a second repair shop at 7876 Broadway.

His son, Joe H., will operate the Main Street place. Mercurio came to Lemon Grove three years ago. His business did well and recently, when the opportunity to acquire a Broadway address presented itself, he took it.

The new shop will handle accessories such as hand made purses and moccasins. In addition to repair work, Mercurio will offer dyeing and cleaning. A shine stand has been installed.

## Mary Mathieson Passes at 66

Mary A. Mathieson, 66, 8246 Jefferson Avenue, died at her home in Lemon Grove March 24 after a lingering illness.

Her husband, Hugh, is an aircraft worker. She is the mother of James Mathieson of Lemon Grove and Peter of New Orleans. She is sister of John Mathieson who lives in the midwest, James Kinney and Catherine Burns, both of whom reside in Scotland. Four grandchildren also survive.

Rosary was held Tuesday, and Mass Wednesday at St. John of the Cross church followed by interment at Holy Cross. Arrangements were handled by Conrad Mortuary.

## S. V. Lady, 77, Buried in San Francisco

Zella E. Scott, 77, 9915 Tangor Way, Spring Valley, died March 25 at the home of her daughter, Mrs. Blanche Hoye at the same address. Mrs. Scott, a widow, is survived by the daughter with whom she lived; four sons in San Francisco; 13 grandchildren and six great grandchildren.

Services were held in San Francisco. Local arrangements were held by Conrad Mortuary.

### METHODIST CHURCH TO HAVE ORGAN RECITAL

Miss Alice Couchman will present an organ benefit concert at the Lemon Grove Methodist Church Sunday at 4:30 p.m.

Miss Couchman recently returned from studying in Santa Barbara with Lottie Leadman, at the Musical Academy of the West. She has been winner of the Musical Merit Scholarship for two years.

Mrs. Charlotte Dewse, who will be accompanying Miss Couchman, will also present selected organ solos.

The public is invited to attend this recital.

Experience is rarely valued by those who need it most.

### PRIESTS ARE LAS VEGAS VISITORS

Mr. and Mrs. Kenny Priest and their daughter Brenda were visitors recently at the Hotel Riviera in Las Vegas, Nev.

While in Vegas they made a tour of various clubs. They live at 1715 Englewood Drive in Monterey Heights.

### REALITY OF SIN, DISEASE, AND DEATH QUESTIONED IN LESSON-SERMON

The Lesson-Sermon in all Christian Science churches Sunday is on the topic "Are Sin, Disease, and Death Real?"

A passage from the Bible read by the second reader speaks of the spiritual comfort given to Job. In his grief these words are spoken to him, "If there be a messenger with him, an interpreter, one among a thousand, to shew unto man his uprightness: Then he is gracious unto him, and saith, Deliver him from going down to the pit: I have found a ransom. His flesh shall be fresher than a child's: . . . and his life shall see the light" (Job 33:23-25, 28).

government." At the meat and potatoes point of view it would mean that your family would be called upon for approximately $150 less in taxes each and every year. Turned the other way around, $150 is a big wad to pay for the waste and inefficiency the government admits and owns up to.

Best suggestion: write your congressman and encourage quicker action. Your congressman's address, incidentally, is Hon. James Utt, U. S. Congress, Old House Office Bldg., Washington, D. C., and he is an avowed economy minded official. Your letters will help reassure him that he should not relax his effort.

## LETTERS TO THE EDITOR

Dear Editor:

In reference to the article in your paper in which you report the local building inspector, Clark Lucey, as being dilatory in his work, I wish to make the following comments:

I am a licensed building contractor working in this area, and I have no particular use for any control or controls which hinder my work or my right to do a job in the most direct and logical manner at my disposal. However, I am stirred to write this letter in the sense of fair play. First, if Mr. Hajek was correctly quoted, he has built several houses locally and has paid over $2000 for building permit fees. I assume that when he refers to several, he means two or maybe three, but not more than four; and for these three or four houses he paid over $2000 for building permit fees? Where does this guy, Hajek, get his permits? Does he buy them on the black market? Permits for building inspections on 40, not four, average houses would cost about $2000 and if Mr. Hajek has built 40 houses in this area, he should go down and get himself a contractor's license (if he is qualified and he must be because that is a whole lot of nails to drive for a fellow who does all his own carpenter work!)

As for the building inspector, Clark Lucey, I have found him an honest, hard working guy, who is maybe a trifle over-zealous. But doing the unthankful job of dealing with both the contractor or builder and the home owner, and trying to get them to adhere to rules and regualtions of which there are no doubt too many, is a problem. The key to this situation is with the bee, not the stinger. If this paper wants to crusade, I suggest they go to the "powers that be." They are the ones who adopt some of these unnecessary things into the building code. Start your fire there!

## LETTERS TO THE EDITOR

your editorials and given you credit for your interest in general public welfare, incorporation, business, etc. However, your last week's editorial and the article by D. H. was, in my opinion, unduly critical of the building inspection department.

Being a building contractor in Lemon Grove for a number of years and having built over 30 homes in the past few years, I cannot say I have yet spent $2000 on permits as D. H.'s complainant says he has. He is, no doubt, mistakenly including his sewer connection fees in this figure.

You and he make complaints of the restrictions the county, through the inspector, make but actually the minimum requirements of the county building code are not nearly as strong as those of city, FHA, VA and California veterans, and these requirements are for the welfare and benefit of the general public. If it weren't for these inspections, a contractor could get away with murder and the average home buyer could be paying for a well-built home and not getting it.

I am not saying a home owner should not build his own home but he should be familiar with the county building ordinances and the State Housing Act as all contractors must be before they pass an examination for their license.

I have had inspections turned down in Lemon Grove and San Diego but all that was necessary was to remedy the error or omission to get it passed. I have found the local county inspector no different than any other inspector in that regard. If it's right, it's passed, if it's wrong, they are being paid to see that it is done right.

I certainly feel that any contractor who has a legitimate complaint about a building inspector being dictatorial or tyrannical has a right and wouldn't hesitate to call the chief building inspector about it without fear of reprisal. If a builder knows the building code and follows it, he won't run into any more difficulties than are encountered in any other business.

## Supervisor Bird Says Electric Eye Switch To Save District Money

Supervisor Dave Bird said this week that an electronics on-off switch had been installed for street lights in the Mt. Helix area and the wages of a man would be saved in the switch-over.

Prior to now, a man had been assigned the duty at dusk and dawn. Bird said that an electric eye arrangement would shut the lights off when the sun peeped up and would turn 'em on when the stars began to twinkle.

# San Miguel 4-H Club Learns About Sheep Judging

I attended a meeting of San Miguel 4-H Club last Friday, held at the home of Mr. and Mrs. R. A. Knapp, west of San Miguel School grounds.

Two representatives of the University of California Agricultural Extension Service, Farm Advisors Robert W. McNulty and David W. Hinshaw, were in attendance, bringing a projector with sound attachment, and when the screen was set up the picture showed lots of sheep. More about this later.

The youngsters came to the meeting direct from school, and gathered in the large living room of the Knapp home. They discussed their projects among themselves and with the farm advisors, whom they had met at previous meetings. The youngsters told the advisors how they were getting along with their projects. Michael Walker, who has chosen poultry, told Mr. Hinshaw that his 12 White Leghorns were giving out 12 eggs almost every day, showing a production of about 75%. Mike said some days he got only nine eggs. He keeps track of his food costs, sells the eggs and at the end of his project presents the figures.

Each member has an account with the "bookkeeper" and his project is rated from the record. Mike is 11 years old and knows his chickens.

Charles Holmquist, who also has a poultry project, was unable to be present at the meeting.

Before the meeting was called to order, the boys discussed their projects with the farm advisors. One of the boys, I think Dennis Tristram, who has sheep for his project, told Mr. Hinshaw about a lamb he is raising. It weighed 15 pounds at birth and after 68 days weighs 69 pounds, which is remarkable. Mr. Hinshaw raised his eyebrows when the gain in weight was mentioned, said "You sure you didn't have a little bull around that sheep?" Now Dennis has to cut down on the lamb's feed so he won't be too heavy to enter at county fair.

Roll call was dispensed with for lack of time and the picture was thrown on the screen. The picture was taken by the Union Pacific Railroad, and the speaker whose talk accompanied the showing, told of 30 million sheep in the country, and how to judge them. Showed large bands being corralled on the range, with judges among the flock running their hands along the backs of the animals. They tell by the feel of the wool as to its quality. Later in the picture single sheep are shown in pairs, with the differences clearly indicated, and graded.

Sheep are chosen for projects by the 4-H members for various reasons. They are gentle, respond to careful attention and are cleanly.

Some of the projects require more room than is available to the use of the members, and these youngsters select rabbits, or poultry.

Each club member selecting a project is honor-bound to take entire care of his animal, account for feed cost and keep square. If he borrowed money for purchase of an animal, that must be paid back. The sense of responsibility acquired will prove valuable in later life, and the interchange of ideas between the various members is most valuable.

The girls in the club have animals if they so elect, bust mostly they select food and clothing as their subjects.

The farm advisors keep in touch with the different 4-H Clubs in the county. A total of some 850 members make up the county group membership.

After the picture was shown, the members adjourned to the yard where Mr. McNulty demonstrated the proper judging of a sheep.

Here is a list of the members and their projects of San Miguel 4-H Club, kindly prepared by Mrs. Knapp:

## Dr. John Wanless Named President of Wisconsin Alumni Club

The first meeting of the board of directors of the newly-formed University of Wisconsin Alumni Club of San Diego County was held last night at the home of Dr. John Wanless, 1829 Sunset Blvd. Officers were elected and plans were made for a membership drive among the 25 San Diego County alumni.

Elected president was Dr. Wanless. Vice presidents are M. Emmett Moran of Vista La Mesa and Frank Brinkman, National City. L. A. Tomasin was elected secretary and Woodrow W. Haas, treasurer. Robert P. Bleicher of La Mesa was appointed membership chairman.

The club was chartered February 22 by John Berge at a founder's day dinner at the Lafayette Hotel attended by 80 area alumni. Berge, executive director of the Wisconsin Alumni Association, Madison, Wisconsin, was principal speaker in commemoration of the 104th anniversary of the school. He stated that the association is the fourth largest alumni group in the nation.

**For the records, Dr. Wanless delivered Danny, 6, and Lisa, 3, Goodwin to the family of this newspaper publisher and we predict he will do as splendid a job of presiding the U. of W. Alumni Club as he did in the Goodwin family instance.**

## Foreign Jobs Available for Single Typists

The department of state is interviewing stenographers, typists, and clerks for positions in Washintgon, D. C., and in this country's 265 embassies throughout the world. They are interested in talking to young men and women who are between the ages of 21 and 35, American citizens, single without dependents, high school graduates and willing to be assigned anywhere in the world. Typists must be able to perform at the rate of 50 words per minute, stenographers also at 50 words per minute and take shorthand at a minimum of 80 words per minute. General clerks must type at least 35 words per minute and communications clerks at 45 words per minute. All must have at least three years of office experience. Applicants can substitute business school or college training for no more than two years of work experience. All persons hired by the department of state must pass a rigid physical examination. Starting salary for these positions is $3390 plus allowances.

For those who are interested in foreign service but are not qualified at present or who prefer to work in the home office in Washington, the personnel officers are seeking typists and stenographers. Applicants must be at least 18 years of age. Typists must type 40 words per minute and stenographers 40 words per minute as well as 80 words per minute in shorthand. Salaries for typists start at $3175 and stenographers at $3415 per year, with yearly increases for satisfactory service.

## Area Girls Honored In Rainbow

Connie Clark

Connie Clark, daughter of Mr. and Mrs. E. Clark, 7343 Princeton, La Mesa, Helix High School senior, has been selected as grand representative to the state of Arkansas for the Order of the Rainbow for Girls. The announcement was at the annual grand assembly at San Jose last week.

Connie also received the Grand Cross of Color. The highest award made for service to Rainbow and the community also was given to Joan Manchester, 2613 Massachusetts, past worthy advisor; Charlene Olsen, 2848 New Jersey, past recorder; Mrs. Esther Wagness, Campo Highway, Spring Valley, grand deputy for the 46th District; Mrs. Lillian Gaynes of La Mesa, mother advisor, and Mrs. Laura Crickmore of La Mesa, past worthy matron, Order of Eastern Star, which sponsors the assembly.

Selection to grand office in Rainbow is made upon recommendation from the local assembly based upon leadership and activity beyond those normally required for officers. Some of the things the La Mesa Assembly has done are to raise money for a bottle carrying cart which was donated to the nursery at Grossmont Hospital, solicit funds for the Heart Association and to collect clothing and contribute to the rehabilitation of the Rainbow girls who were victims of the Yuba City flood.

As an active teenager Connie has taken part in many of the activities at Helix High. At present she is literary editor for the Tartan, chairman of the Cap and Gown committee, and has an important part in the Senior Play.

Other girls who are attending the grand assembly are Joanne Alesch of La Mesa, worthy advisor; Pat Gimble of Lakeside, Diana Smith, 6871 Waite Dr., Terry Clough, 3510 Kenwood Dr., Spring Valley; Judy Barrett, San Diego, Sandra Stafford, La Mesa, Pamela Alesch, La Msea, Lois Davy, 2065 Eldora, Karen Leggott, La Mesa, Beth Truex, 3908 El Canto, Spring Valley, and Ruth Ann Allee, La Mesa.

## NEXT WEEK IS OUR DATE WITH CHESTMOBILE

Lemon Grove residents will have an opportunity to have chest X-rays taken through the facilities of the Chestmobile next week. The public service unit of the department of public health will be stationed on Spring Street at La Mesa Blvd. by Anthony's Department Store, April 9 through April 13.

Chestmobile hours on Monday, April 9, will be 12 noon to 6 p.m. Tuesday, Wednesday and Thursday the Chestmobile will be open from 11:30 a.m. to 6 p.m. On Friday later hours from 2 p.m. to 8 p.m. have been arranged for the convenience of working people.

The Chestmobile visit is aimed at accommodating persons living in La Mesa, Lemon Grove and Jamul, as well as Spring Valley.

Dr. J. B. Askew, director of the San Diego Department of Public Health, said yesterday it is wise for all adults, particularly men over 35, to get chest X-rays. He said national statistics show that a large number of cases of tuberculosis are found in men in this age group.

## Lemon Grove Girl To Compete in Second Annual Scholarship Contest

Deanie A. Whalen, 3245 Acacia Street, Lemon Grove, will compete with four other San Diego County girls at Roosevelt Junior High School on April 7 for cooking honors in Foremost Dairies' second annual scholarship contest to find the leading home economics students in California.

The girls are among 400 participating throughout the state and have reached the second stage of the contest after a written test and personality rating on the high school level. They will be given one of six recipes to prepare and on the basis of quality of product and smoothness of preparation, one will be chosen to represent the region in a final cook-off in May for state honors and one of six awards totaling $2,200. The winner will then compete with finalists from 11 other regions. Judges for Saturday's cook-off will be selected from local home economists and teachers.

The contest was inaugurated last year by Foremost Dairies when a search for a home economist to head its staff showed a lack of adequately trained personnel in the field.

Miss Whalen is a student at Helix High School. We hope she will win this contest in San Diego region, and will win the final cook-off in May.—D. H.

## Life Membership Pin to Be Presented At Junior High PTA Meeting

Surprise presentation of an honorary life membership in California Congress of Parents and Teachers, to a person who has served his community and its citizens for many years, will highlight the Tuesday evening, April 10 meeting of Spring Valley Jr. High School Parent Teacher Association at 7:30 p.m. in the cafetorium. Color guard for flag salute will be provided by Boy Scout Troop 171.

"This is your life" theme will be used during presentation of award, which is signified by sum donated to student loan fund of use by teacher trainees in California. All families in area served by the school are urged to attend this event of district-wide interest and many persons of prominence are expected to be presents. Dads are to be honored the same evening with a sport film of special interest. Charles Pike, Mrs. Rosarie Graham and Howard Neff, principal, have planned the program.

Election of officers for next year took place at a recent meeting. They include Mmes. John Thompson, president; Hollis Constance, Owen Phelps, Curtis Haupt, and Rosarie Graham, vice presidents; Mrs. Lee Boyle, secretary; Mrs. William Hoye, treasurer; Don Irwin, auditor; and Mrs. Chester Meador, historian. Installation will be held during May 15 meeting.

Bake sale proceeds were $64.60 for student projects fund according to Mrs. Henry Boney, who wishes to thank all persons who donated the many cakes, pies and cookies. Family Fun Card Party and Dance date has been changed to May 1, states Mrs. Alex Case, chairman. Social hour following the April 10 meeting has been planned by Mmes. George Mangold, 8-5; M. Sears and Dale Hulett, 8-1; and Harold Barr, 8-8; and other section parents.

## Peter DeGraaf To Run for Supervisorial Post

Supervisor David Bird faces competition in the race for his second district post this year.

Aspirant is Chula Vista councilman Peter DeGraaf, a 50 year old dairyman who has attracted considerable attention since his entrance in politics.

"I feel that I owe a tremendous debt to my adopted country and one manner of repayment is to serve politically in fields where my experience can serve," he said.

DeGraaf said that he is fully aware of the wide variety of interests in the Second Supervisorial District which pertain to rural and mountain areas as well as industrial and harbor activities, and, if elected to the board of supervisors, pledged his untiring efforts to serve these interests and to promote a business-like administration. The present welfare situation indicates that this is long overdue. The time has come to stop straddling the fence and face the issue squarely, he said.

DeGraaf was born near Leyden, Holland in 1906 and grew up on a dairy which was owned by his parents. He emigrated to California in 1929, and moved to Sweetwater Valley in 1936. Since 1948 he and Mrs. DeGraaf have resided in Chula Vista, where they purchased a home at 665 Del Mar Avenue. He first operated a dairy on North Second Avenue, Chula Vista, which property he still owns.

Mr. DeGraaf is a past president of the San Diego County Milk Producers Council. Mr. and Mrs. DeGraaf are charter members of the Christian Reformed Church in East San Diego, of which he was the first treasurer. He is now a member of the church finance committee.

Mr. DeGraaf is an active member of the Kiwanis Club, and also of the Sweetwater Toastmasters Club, of which he is a past president. He has served as deputy governor, and as area governor of Toastmasters International.

## Grove Residents Invited to View 'Biggest' Wistaria Vine

A "day" has been set aside for local residents to visit Sierra Madre and see the famous Sierra Madre Wistaria Vine.

Thursday, April 19 has been set aside as Lemon Grove Day and arrangements were made through the local Chamber of Commerce.

As an inter-community goodwill gesture, the Sierra Madre Chamber of Commerce, sponsors of the annual Wistaria Festival and Flower Show, in cooperation with the Lemon Grove Chamber of Commerce, designated this day in honor of Lemon Grove.

Passes for this special day will not be needed for admission to the grounds of the vine. Visitors need only identify themselves as residents of this community, chamber officials said.

The vine, which covers over an acre of ground, is now in bloom. Located at 201 West Carter Avenue, Sierra Madre, the grounds will be open to the public during the Wistaria Festival through April.

## VFW Auxiliary to Install Officer Corps Tuesday

Lemon Grove Veterans of Foreign Wars of Post No. 2082 and Auxiliary will hold a joint installation of officers in the VFW Hall Tuesday.

The county council president, Mrs. Ollie N. Schoeneich, will be installing officer, with her team for the floor work.

The slate includes Mrs. Dorothy Jagosz, president; Mrs. Elizabeth Pipes and Mrs. Carol Brack, vice presidents; Mrs. Lillian Van Riper, secretary-treasurer; Mrs. Frances Stubbs, chaplain; Mrs. Charlotte Craig, conductress; Mrs. Katherine Dale, guard; Mrs. Katherine Clark, patriotic instructor; Mrs. Frances Richardson, historian; Mrs. Emma Fowler, banner bearer; Mrs. Esther Sperling, Mrs. Maude Gibson, Mrs. Jerry Smith, and Mrs. Hazel Ducharme, color bearers. The public is invited.

## Brother of Local Barber Dies

Louis Sargent, 44, a repair shop operator of La Mesa, bachelor brother of one of our town's barbers, Robert "Bob" Sargent, died unexpectedly last week at his home.

Funeral services were held earlier this week at Conrad's Mortuary.

**RESOLUTION DECLARING INTENTION TO LEASE REAL PROPERTY BELONGING TO THE GROSSMONT UNION HIGH SCHOOL DISTRICT AND NOTICE INVITING BIDS TO LEASE SAME**

WHEREAS, the Grossmont Union High School District, San Diego County, California, is now the owner of the following described real property:

That portion of Sweetwater Springs in the County of San Diego, State of California, according to Map thereof No. 576, filed in the Office of the County Recorder of said San Diego County, January 11, 1889, and that parcel of land in the County of San Diego, State of California, being a portion of the Northwest Quarter of Section 34, Township 16 South, Range 1 West, San Bernardino Meridian, according to United States Government Survey approved May 3, 1859, together with a portion of Sweetwater Springs, according to Map thereof No. 576, filed in the Office of the County Recorder of said San Diego County, January 11, 1889, described in the Deeds made by Fred J. Hansen to the Grossmont Union High School District, recorded in Book No. 5165 at Page 232, in Book No. 5482 at Page No. 396 in Book No. 5927 at Page 307, Official Records, San Diego County, containing 70 acres more or less, and

WHEREAS, the above described property is not and will not at the time of delivery of possession be needed for classroom buildings by said District, NOW THEREFORE,

BE IT RESOLVED that it is in the judgement of this Board for the best interests of said District that said property be leased, and said Board hereby declares its intention to lease the same to the highest responsible bidder, subject to the following terms and conditions:

This lease shall be for a term commencing July 1, 1956, and terminating on January 1, 1959. However, the Lessee, in writing may request of the Governing Board that this lease be extended through the year 1959. Said request in writing, which the Governing Board may accept or refuse, must be submitted to the Governing Board by December 1, 1958. By December 1, 1959, the Lessee may submit to the Governing Board request for an extension of said lease through the year 1960. The Governing Board may accept or refuse this request for an extension.

The rental price shall be not less than $1,200 (One Thousand Two Hundred Dollars) per year, payable annually in advance. The rent for the use of the land during 1956 shall be 1/2 (one-half) of said annual rent payable July 1, 1956. Thereafter the rent shall be due and payable on the 2nd day of January for each year for the duration of this lease.

Lessee shall not sublet all or any part of said premises without the consent in writing of Lessor.

Any alterations, additions, fixtures or improvements annexed or made to the premises by Lessee shall remain his property, and shall be removed by him at his own expense upon expiration of the term, or upon termination of the lease prior to expiration of the term, as provided therein.

Either party may terminate said lease by serving notice in writing to the other party by December 1 for termination of said lease on the following January 1.

Lessee shall make and pay for all repairs necessary to keep said property in good condition, and upon termination of said lease shall turn over said property to Lessor in as good condition as when received, reasonable wear and tear excepted.

Lessor shall assume no liability for any use of the premises by Lessee.

BE IT FURTHER RESOLVED that a public meeting of this Board be held at its regular place of meeting, to wit, the Grossmont Union High School District Administrative Office, Grossmont High School, Grossmont, California, on the 9th day of April, 1956, at 7:00 p.m. o'clock of said date at which time and place sealed proposals to lease said property will, in public session, be received, considered, opened, examined and declared by this Board.

Each proposal must be accompanied by an unconditional certified check for an amount of $50.00 (Fifty Dollars) payable to the order of the Clerk of the Grossmont Union High School District, as a guarantee that the bidder, if succesful, will promptly execute and accept a lease for the stipulated term and upon the conditions set forth above for said premises; said check shall remain in the possession of said Board and shall be applied as the initial payment of rent for said premises upon the due execution and delivery of said lease, otherwise said check and the proceeds thereof shall be forfeited to said District. The Board reserves the right to reject any and all bids, or to waive any informality in the bidding. Oral bids exceeding by at least 5% the highest written proposal submitted will likewise be received from responsible persons at said public session.

BE IT FURTHER RESOLVED that notice of the adoption of this resolution and of the time and place of holding said meeting be given by posting copies of this resolution signed by this Board or a majority thereof, at the following places in said District: One at Grossmont Union High School District Administrative Office, at Grossmont High School, Grossmont, California, one at La Mesa City Hall, and one at El Cajon City Hall, being three public places in said School District, for not less than fifteen (15) days before the date of said meeting and by publication of this resolution in the LEMON GROVE REVIEW, a newspaper of general circulation published in the County of San Diego, State of California, once a week for three (3) successive weeks before the date of such meeting and the Clerk of this Board is hereby directed to post said copies or cause the same to be posted, and to cause said resolution to be published, all in accordance with this resolution and order.

IN WITNESS OF the passage of the foregoing resolution and order in the manner prescribed by law, we, the members of said Board, present and voting thereon, have hereunto set our hands, this 12th day of March, 1956.

## L. G. Demos to Debate Support of Kefauver Vs. Stevenson

The Lemon Grove Democratic Club will meet Friday evening, April 6 to discuss Democratic candidates for the presidency. Highlight of the discussion will be a debate between supporters of Adlai Stevenson and Estes Kefauver.

The program will also include a report of the recent convention of Democratic Clubs in the 28th Congressional District and election of officers for the Lemon Grove club.

All interested Lemon Grove residents are invited to attend the meeting which will be held in the home of Mr. and Mrs. Sumner Alpert, 7537 Cuyamaca Ave. For additional information call Mrs. Ted Nachison at JU 2-8686.

### ROAD-E-O TESTS TO BE HELD NEXT WEEK

Written tests for the Lemon Grove Junior Chamber Road-E-O will be conducted Wednesday at 3 o'clock at Room 25, Helix High School, according to Charles Johnson, Jaycee chairman of the Road-E-O project.

### JR. HI PTA EXEC BOARD SETS MEET

Major topic for discussion at the meeting of the executive board of the Lemon Grove Junior High Parent-Teacher association will be the eighth grade graduation. Mrs. E. F. Brady, president, has scheduled the meeting Tuesday in the school cafetorium.

There will be no regular meeting of the unit in the month of April, but the executive board will meet to lay preliminary plans for their part of the graduation exercises in June, and carry on routine business.

## VARIETY SHOW PLANNED YOUTH CENTER WORK

A variety show for the purpose of swelling the treasury of the Lemon Grove Youth Center has been planned by the committee. The event is scheduled for Friday, April 27 at 7:30 p.m. in the Junior High School Cafetorium.

All parents and children who wish to help this very worthy project and will share their talent with others are asked to call Mrs. Harold Perkins, 6927 Waite Dr., Lemon Grove. The telephone number is HO 6-7426.

There will be a donation of 50c for adults and 25c for children. Tickets will be available through service organizations and at the door.

### FAILS TO CATCH BOY

Louisville, Ky. — Mrs. Ilene Cook and her brother, Jimmy Payton, 18, were standing outside their apartment talking when a toy pistol fell at their feet. Looking up, they saw a child's legs dangling over the roof edge. Just then the child, William Nevitt, 22 months old, fell. Payton reached out to catch him, but the child slid through Payton's arms and struck the concrete pavement, seriously injuring him.
